Special Meeting of Board.

St. Louis, Mo., Feb. 1, 1904.

Board met at the Lindell hotel in pursuant to call from the president. There were present President Woodburn, Members of the Board Jones, Davis, Louden, McFarland and Keil and Secretary Evans.

The object of the meeting was to present to Chief Coburn, of the Louisiana Purchase Exposition, the names of three competent men from whom he might select a judge for the Duroc-Jersey department of the exposition. Three names were selected by ballot and then the board proceeded to the administration building and held a conference with Chief Coburn and his assistant Chas. F. Mills. The three names were presented for the chief's consideration and several matters of importance discussed regarding the coming stock show. The magnitude of the show was clearly presented by the chief and the necessity of making extensive preparations were forcibly outlined.

Board met again at the Lindell hotel after dinner and on motion of Louden, seconded by McFarland, it was decided to increase the appropriation for the St. Louis show to $1,000, thus adding $250 to the amount already available. It was decided that $900 of this should be given in cash premiums and the balance used for advertising and in diplomas. The secretary was instructed to secure some nice badges for the members for use during the show.

Mr. Jones was selected as manager of the sale to be held during the exposition and the number of animals was limited to 100. Messrs. Keil, Callahan and Burger were chosen auctioneers for the sale. Jones selected H. E. Bowman, of Lawrence, Neb., as assistant manager of the sale.

On motion of Keil the board were allowed three dollars per day and mileage for attending this meeting.

Moved by Louden that the money offered by the National Association at St. Louis be offered only to members of the Association and that all animals competing for this money must be recorded in the National Record and that their dams and sires must be also at the time of making entries. Carried.

Adjourned.
